

2. Component 3 - Set Task

How does what you have created relate to the brief/theme? Can you give four examples.

How did you get your ideas across to your group? What ideas of yours did they use and how did you help to shape the piece? What was your role?

How have you developed your stylistic skills and your choreographic skills?

The Brief

How have you developed your dance performance skills? How are you relating to the target audience using these skills?

What other dance companies, dance works or choreographers have influenced your ideas. What did you 'take' from them as inspiration?

What have you contributed to the overall rehearsal and creation process. What have you given the group and the piece?
