	<u>Think it</u>	<u>Grasp it</u>	<u>Know it</u>
Home learning 1	Learn the list of jobs (from Spanish to English) Start by identifying the cognates and words you already know. Then focus on learning the rest by looking for indirect cognates (e.g. médico → medical → doctor) and funny ways of remembering (e.g. if a bomb goes off you call the bombero (firefighter))	Complete and learn (from English into Spanish) the phrases at the top of box number 1. Remember accents and spelling matter! Use look/cover/copy/check to learn it accurately.	Create a variety of sentences to say what you would and wouldn't like to be and what different members of your family work as.
Home learning 2	Learn the tasks (from Spanish to English) See above for suggested strategies	Complete and learn (from English into Spanish) the phrases at the top of box number 2.	Create a variety of sentences to say what you normally/have to do.
Home learning 3	Fill in the gaps in the sentences in box 3	Learn the phrases (from English into Spanish) from box number 3	Write an extended description of what you do to earn money.
Home learning 4	Fill in the gaps in the sentences in box 4	Learn the phrases (from English into Spanish) from box number 4	Write an extended description of what you do to earn money.
Home learning 5	Highlight two of the advantages of learning a language that you will use in writing/speaking	Learn the phrases (from English into Spanish) from box number 5	Write an extended description of your work experience
Home learning 6	Fill in the gaps in the sentences in box 6	Learn the phrases (from English into Spanish) from box number 6	Explain the importance of learning languages
Home learning 7	Learn the tasks (from Spanish to English) See above for suggested strategies.	Complete and learn (from English into Spanish) the phrases at the top of box number 7.	Describe your own personal attributes in Spanish
Home learning 8	Highlight at least one thing you'll need to do to get your dream job and one other thing you'll do in the future	Learn the phrases (from English into Spanish) from box number 8	Write an extended description of your future plans

Revision: 1. Re-test yourself on the lists of vocabulary (from Spanish to English) from Home Learning 1, 2 and 7. Write down any words you didn't know on a flashcard and learn them.

2. Re-try each of the "know it" tasks without looking at the knowledge organiser. Each time you find you can't say something, look at the knowledge organiser and write down the phrase you didn't know on a flashcard. Then learn all the phrases you have written down.

HIGHER: learn the uncommon language phrases including the subjunctive in box 9 and use them when re-trying the "know it" tasks
