What was Salvador Dali famous for?

What art movement was Salvador Dali famous for?

STRETCH AND CHALLENGE

What 2 questions would you ask Salvador about his work and why?

“LA PREMIÈRE”

Watch the video clip, select a pair of shoes or 1 shoe/trainer and place in an interesting way.

1. Once you have arranged the objects you need to study the composition, you already know this from your previous observational drawings.
2. Begin to sketch the outlines of each object. Remember to use light lines and to keep looking at the object/s.
3. Make sure that your drawing looks like the still life.
4. Now look at where the light source is coming from (Remember the apple drawings we did at the beginning of last term)
5. Now begin to shade your drawing, using a wide range of dark, medium and light tones. Use your rubber for highlights.

Good luck and email your finished drawings to -

Fantasy shoe research task.

Research task- Artist fact file.

- Choose an artist or shoe designer from the list: Salvador Dali, Manolo Blahnik, Christian Louboutin, Alexander McQueen or Balenciaga.
- Write the artists name in a creative way; see the Robert Delaunay example above.
- If you can, print off 2-3 images and write down the name and title of the work.
 - Now using google, research your artist/designer and gain some information. Write around 2-3 paragraphs about the artist's influences, their artwork, where they were born etc. What do you like and dislike about their work/designs? This must be in your own words and include as much interesting information as you can.

Good luck, photograph and send your work to your teacher fearn.r@thecoleshillschool.org

Design task.

Complete 2 A4 shoe designs, these can be based on a theme of your choice and should be as imaginative as you want them to be. Add as much detail as possible

Focus on the form of the shoe, making it look 3d by using tonal shading and apply a range of colours if you wish.
