

Year 10 Spanish

The following slide is to use with the 12 mark WRITING question in the writing papers (foundation only) and for the PHOTO CARD in both foundation and higher speaking exam. I have put writing past paper questions on the website, as well as photo card and role-play booklets for both higher and foundation.

Please email me if you need any help/clarification. Also, you can take pictures of your work and email them to Miss Brunt/Mr Lunn and we can mark and feedback to you 😊
