

Pick 1 task at a time to complete. 1 task should be completed on average each week.

By completing each task, you will revise for the Unit 1 exam which will take place next year (or in Year 11).

Use the following revision guides attached to help support your completion of the tasks. As well as the Knowledge organisers on the school's website.

These tasks are worded as they would be in your exam paper.

Please be aware I am looking for project worthy answers- not 1 liners! Your answers must be detailed and include music industry terms.

Please email your work to me if possible; [burroughs.z@thecoleshillschool.org](mailto:burroughs.z@thecoleshillschool.org)
